“ I'm so sorry to hear Bailey passed away. He was a unique man who loved his family, and worked hard. Sometimes while Nell was shopping he would stop at the store and share funny stories about his time in service. Hopefully all of you can take comfort knowing he is now with the love of his life. May God bless and comfort each of you.

“

Family,

I'm so sorry to hear of Bailey's passing. I have known him for close to 50 years. He was a super guy and a 'go-getter'-always busy-a hard worker. I lived in his Mobile Home park for several years in the early '70's and spent a lot of time with him. He was a strong political conservative and a strong Republican. He is mostly responsible for my becoming part of the Republican Party and being the strong conservative I am today. I have tremendous respect for him for who he was and all that he did. He will certainly be missed(by me and so many others).

I am praying for all of you during this difficult time. Lean on God for the comfort only He can give.

GOD BLESS YOU!

“ We all know that Bailey had accomplished all that he wanted to on this earth and was ready to move on...but knowing and accepting does little to soften the loss of him actually leaving. Bailey touched many lives beyond his loving family and will live on in those memories. We are all better for having known Bailey whether in small or big ways. Our thoughts and prayers are with all of the Stevens' extended family as you morn his passing and continue his legacy. With all our love, Marci and Denny Potter
