“ So sorry to hear the sad news. I didn't know until I read it in the paper. Carol and Missy my heart goes out to you both. I know he loved you dearly and that you and Taylor and Braden were the loves of his life. Carol, I am so sorry that I didn't make it down to visit. I honestly had good intentions. Aunt Mittie always said she was so happy that Buddy found you...that you brought out the best in him. Missy, I can remember the first time he brought you by Popa's to show you off. He was bursting with pride and smiling from ear to ear. I remember as a kid seeing him at Granny's. He was such fun. My fondest memory is when he brought his new yellow sports car by and took me for a ride in it. It was fantastic. The world will miss his smile, his sense of humor and the twinkle in his eyes. You are all in my prayers and I hope that your love for each other and your wonderful memories will bring you comfort and peace. God bless you and keep you til you meet with him again.

“ Buddy was just one of those people that made the world a better place. Growing up he was a friend of my dad's. In later years after I moved away, anytime I'd see Buddy, it was like I never left. Whether it was loading my truck with mulch or waving to me at the fire station on Benaja Rd as he was leaving work, he always had a smile and friendly wave or word. He was such a good man!!
