“ My deepest condolences to Janine and Bobby. Don was a true friend and he was a real “warrior” for Walnut Cove and Stokes County. He was a smart, professional businessman and always willing to lend a helping hand to anyone needing help. He was always the first to figure out problems and worked diligently to get the job done! Years ago several of us got together and formed the “Folks for Stokes” in Walnut Cove and he was instrumental along with you guys and Charles Montgomery in trying to wake up Walnut Cove with some activities and fundraisers to benefit the community. He was always donating his time and labor for any good cause presented to him. You’d call Don and he was getting that sign ready for the “Breast Cancer Walkathon” or the “Outrageous Courageous Brenner Kids Fun Day” that he always helped us with every year for the last 30 + years. Don’s spirit lives on in you guys!!
Love and prayers,

“ Don was my friend, and I was proud to call him that. We had lost touch in the last few years, but he was always so kind and helpful to me, and that I will always remember.
