“ Lisa and family, I have many fond memories of your mother from all the time I spent at your home while we were in high school. She was one of the sweetest, most caring and hard working people I've ever met. I hope you can take some comfort in your memories during this time. Diane Matteson Wright

“ My sympathy to Betty's family in this sad time for you. It's many years now since I have seen Betty. The last time was our SCS class of '58 reunion. She was a long time friend and a beautiful soul to have been blessed to know.

“ I'm the youngest (with my twin, Jim) of the Denny children who lived on Main Street in Stamford. I remember Betty. She always had a beautiful smile, sweet words and a sparkle in her eyes. Nothing more welcoming to a child!
