“ Prayers and love to this wonderful family. It was our honor and joy to have been with Elva at Bermuda Commons these last several years and to call her our special cousin! She was so full of life and so funny! That wit and smile was something we will always remember about her. We will miss her so! Our mom use to say that Lene and Elva were the funniest people and she loved being around them! Daddy is probably sharing stories about Uncle Dave and the Potts Family and they are probably talking and rejoicing in heaven now! May God hold this special family and give them comfort in knowing that heaven gained another angel. We will see her again one day! Love to you all.
