“ It was a distinct honor and pleasure to know and work with Ted over several years at the old Blue Bell Wrangler jeans company. His ability to organize and manage technical tasks and assigned staff personnel was outstanding. His friendly and open approach towards other people set a fine example for other management staff individuals, and was admired by many. Ted's approach to his professional work tasks surely reflected his inner personal qualities that were so evident in his daily living....at home, at church, in the community and everywhere, I certainly feel blessed to have had my life touched by his. I look forward to a grand future reunion !!

“ Prayers and condolences to Ted's family. I have never known a man that I admired more than Ted Wilson. It was an honor to know him well over 50 years and I truly believe he fought his health problems such a long time as he could not bear to leave Betty Jane. He adored her. Ted loved all his family and was a good Christian example to all of them.
