“ Family,

I was saddened to hear of Harold's passing. I have known Harold for many years. I went to church with him at Bethel Baptist Church for several years; then for the last several years at Willow Oak. He was a dear man, so humble and always smiling. We sat beside each other in the choir at Willow Oak. I enjoyed talking with him. He was always happy; never complained about anything.

He will certainly be missed by many. My prayers are with the family during this sad time.

GOD BLESS YOU!

“ I know without a doubt in my mind that Harold is the happiest person right now because he is walking with our Good Lord. There is 2 things Harold loved to talk about and Jesus was one of them and of course his flowers. Harold loved to go to church every Sunday and would sing in the choir. He never missed unless he was sick or out of town. He loved to plant flowers and watch them grow. To know Harold was to love Harold. He was the most humble person I know so sweet and kind. A smile of his face all the time. I have been supporting Harold for 30 years and it was a pleasure to help him out and to watch him grow into the happiest and sweetest soul I know. He will be missed by many and he will always have a special place in my heart. Till I see you again in heaven just know I will miss and love you forever. Rest in Peace Harold.

“ My deepest condolences to the Mitchell Family from a neighbor and friend. I grew up around you in the Ross's Store Community and rode the school bus and attended South Stokes High School while Harold was there. He was a kind, gentle man—always with a smile on his face. I know he will be greatly missed! May your memories fill your heart and the love of family and friends comfort you.
