“ Harvey Lee was the second Service Manager I worked for at Starr Electric Company, and was the one who talked me into coming back after I had left due to the first Manager. I'm not sure I would have come back for anyone else.

Harvey had a wry sense of humor and I knew that he was always waiting to pounce on any opportunity to make a joke... easy to spot with that twinkle in his eyes. I always felt at ease in his company. When he let his son, Frankie, work with us one summer, Harvey Lee assigned him to my truck... Harvey said it was as a punishment, but didn't say whether he was punishing me or Frankie (sorry, Frank, but you will always be Frankie to me). That was one of the best summers I ever had as a Service Technician Because Frankie has his Dad's sense of humor and willingness to work hard.

I am sure Harvey Lee is taking over the Service Department for God now, and will have everything running smoothly in a very short time. I hope to see you again, Harvey Lee.

“ Steve and Frankie,
We share you sense of loss, but are so Glad for Harvey. Not only does he know the full Presence of the resurrected Christ but he once again is with Tookie.
So many memories come with the thoughts of Harvey and your family, but I am literally reminded of him every day as I walk by the mantel and table made from the walnut tree I helped him take to the saw mill and from which Harvey gave me two pieces.
We are living in Montreat and the welcome mat is out. (165 Oak lane).
God Bless and keep you and yours.

“ My deepest sympathy to all members of Mr. Harvey Starr's family. It was my pleasure to know Mr. Starr. Mr. Starr was a great Boy Scout Scoutmaster when I was a Boy Scout in his scout troop, BSA Troop 368 in the Alamance community. Scout troop 368 is still very active and a good Boy Scout Troop in the Alamance community. Mr. Starr often told others that I was his first Eagle Scout. Mr. Starr and I were very proud of that. MR. Starr was a great Scoutmaster. He was very loyal and dedicated. His two sons Steve and Frankie were also in our boy scout troop. Both of them are very fine men. I went on to work on the scout council's scout camp's camp staff and later served for 20 years as Scoutmaster of Boy Scout Troop 369 at Moriah United Methodist Church before retiring.

I enjoyed being long time friends with Mr. Starr and all of his family members who are all very fine good Christian people and who all highly respected people in our community.

My thoughts and my prayers are with all members of the Starr family at this time.

Respectfully,

Charles M. "Chuck" O'Connor
