Comments

“ I want to offer my condolences to the family of Gray Wall. Going to school with Larry and then my children going to school with his kept us in touch somewhat. I remember watching the College World Series when Dustin was playing at UNC and being able to pick Gray out in the stands supporting his grandson. He showed his love for family by his traveling to watch their participation. I'm sorry that his memory failed him as it did to my dad also. We hate to lose our love ones but we don't want them not to be themselves. May you all find peace.

“ Joy, Larry, Todd, Michael and family,

I was very sorry to hear of Gray's passing. In addition to serving his country in Korea, Gray also served the citizens of Stokes County for many years as a reserve deputy with the sheriff's department. I have many fond memories of working with Gray at the sheriff's department and will never forget some of our adventures together. Gray was a true friend of mine. I can honestly say that I never met anyone that knew him that didn't like him. Gray always had a smile on his face and a laugh that was contagious. He would go out of his way to help a friend and never expected anything in return. God speed old friend!
