“ Janice was the sweetest mother in law. I remember the first time Dave brought me to dinner with his family, Janice got out her fine china and made a beautiful table and fabulous meal. She always welcomed me with open arms. I never heard her say a bad word about anyone. She was a great listener and loved to laugh. She was a wonderful mom as well. We will miss her dearly

“ I love my Aunt Janice! She always brought such joy, laughter and great food to our family gatherings. One Christmas when I was young Greensboro had an ice storm and the trees were covered and glistening! Wwe drove down from Indiana and got to my grandma's and Granddaddy's house Aunt Janice had lined both sides of the large circular drive with luminaries! It was magical!!! As I grew older I enjoyed talking with Janice about Jesus and politics! She always had great insights! A very discerning and smart lady! She made me feel loved and it was wonderful how very much she loved her husband and sons! I look forward our reunion in heaven!!!
