“ I am so sorry to hear of Scotty passing. I worked with Scotty at LifeSpan, he was a quiet delight, and on very rare occasions, would say what was on his mind, and more times than none, would not repeat it, or I would have to place my ear very close to his mouth to hear what he was saying. I know you all will miss him very much. I'm glad to have met Scotty, and my prayers are with you all!!
