

Julia Baird

March 30, 1988 - September 21, 2020

Julia Elizabeth Baird, 22, passed away at home on Monday, September 21, 2020. She was born on March 30, 1998 in Chapel Hill, NC. Throughout her 22 years, heart and kidney transplants, and dozens of other hospitalizations, this exuberant tough-cookie overcame a staggering number of health challenges. She was the beloved daughter of Christopher and Tina Baird, loving sister of Catherine and Matthew Baird, and cherished granddaughter of Wallace and Phyllis Baird and Jack and Mary Cirincione. Julia is survived by her parents, siblings, grandparents Mary Cirincione and Wallace Baird, as well as numerous aunts, uncles, cousins, other loving relatives, and many amazing friends.

From collecting stickers and ponytail holders, to applying numerous coats of Lip Smackers, Julia had unique interests. She loved to collect different pieces of candy and small toys. Usually, she didn't want to eat the candy or play with these objects; to her, they were treasures to keep in her purse. This cheerful, sweet, red-head would not be seen in public without her purse, sunglasses, bracelets, rings, hair clips, and of course, a big, contagious, sparkling smile on her face. While in Target (her all-time favorite destination), Julia would make friends out of strangers with an upbeat "Hi! How are you?" to each employee and fellow shopper. She also looked forward to walks and tandem bike rides with Mom, as well as annual family vacations to the Outer Banks in North Carolina.

At Cotting School, her special alma mater, jaunty Julia never failed to put a smile on everyone's face. Here, she found meaningful involvement within many activities, such as the Falcons Basketball team, where she could frequently be caught strutting across the court with one arm swinging. She was always excited to share each achievement with anyone who might listen. Not afraid of the limelight, she also enjoyed singing (and dancing) with the Music Makes Me Happy Chorus.

Within her circle of family and friends, Julia instilled many meaningful lessons: to love and accept everyone, to have patience, and to avoid judging others. Moreover, she taught many that each and every person has a purpose and deserves love.

On Monday 9/21, Julia left this earth and is now able to move without any physical limitations, pain, or worry. Everyone who knew her will hold her memory near and dear to their hearts forever. The Baird family would like to thank every single individual who made a positive impact on Julia's life.

The funeral service will be conducted on Saturday September 26, 2020 at 1:00 pm at Our Lady of Grace Catholic Church, 2203 West Market St.; Mandatory mask wearing and social distancing guidelines will be in effect. As much as the family wishes to hug each and every loved one, they hold the safety of all attendees of utmost importance. Interment will be private for the family.
