“ It was with great sadness I read of Lloyds passing. I worked with him at NCNB years ago. He was always a true gentleman and funny and gentle person to know. Because of the difference in our height, our joke when we were together was we were the long and short of it. My wishes for the family is the peace God provides and the knowledge we will see him again. BJ Barnes, Sheriff Guilford Co. (retired)

“ Scott and Family. Your Daddy was always the best, so family oriented, especially to my Mother Paige Troxler Thompson, and the entire family alike. The void is great I am sure, however, I will pray for a peace that passes all human understanding, especially during this Covid Crisis and the way funerals have to be done, for now.

“ Scott Apple and Family,  
I was never blessed to have met Mr Apple but I know his son very well. Mr Apple's son is a wonderful person. Scott learned from his father. Knowing that proves Mr Apple to be a dad I wish everyone to have. Prayers to all.
