“ Our deepest sympathy is extended to Louise's family and friends. We have only known Louise about 5 years but became fast friends. We met in the YMCA water class, and besides exercising in the water, we also shared lunch a couple of times a week, plus special birthday dinners for a small group of us. We are so going to miss you at these events. I was grateful to be able to spend some of your last days with you. When I visited you Monday morning, Aug 5, I knew your time with us was very short. I am so happy I got to see and talk to you that day since I cannot be at your Celebration of Life on August 10. Unfortunately, I will be at a funeral in Virginia that same day for another dear friend and we just cannot get to both. Your Y-sisters will be holding our own Celebration of your life next week. While God has called you home, and you are out of pain, your many friends will certainly miss you. God speed my dear. Pat & Ellenor

“ Peggy and family -- I am sorry for your loss of Louise. I am so glad that I got to know Louise when she started coming to the YMCA. She and I had much in common. We spent many nights texting back and forth about some program we were both watching. Going to Lox, Stock and Bagel and Mythos will always remind me of her. We also enjoyed weekend breakfasts together where she enjoyed eating french toast. I am grateful for the years we had our friendship which meant so much to me. I loved her so much and will miss her beside me in the water at the Y.

“ Louise was one of the first to welcome us to the neighborhood in 1995 when we bought the house across the street from her. What a great neighbor and friend she has been over the years.

“ Louise was a joy. Her gentleness, kindness, and caring can never be forgotten. Louise never had an unkind word to say. Her devotion to George was beautiful, and she surely did love Dottie, Ann, and David, and all their children and grandchildren. She will be missed.
