“ My condolences on the passing of Nate. I had the pleasure of not only working with Nate but also as knowing him as a former student athlete under his care. A very caring soul and still remember his Xmas lights outside and how he kept them up all year because as a trainer he didn't get to enjoy them as much during the holidays, so he kept them on all year. Wonderful man.

“ Dear Glen, I am so very sorry for your lost I know how much Nathan meant to you. I would be in the room when you would call him and have him on speaker phone sharing memories for hours. I can only feel part of the loss you feel. Just know that he is in Heaven and at peace. Be strong at your time of greif.

“ Dear Carl and Jeanette and family,  
I am so deeply grieved to hear about Nate. Words can't express how sorry I am that he is gone. Although we only talked a few times a year, I know how much he loved and appreciated being a part of your family and all you have done for him over the years. I will miss our chats and never forget the happy memories of him. If you need anything, feel free to call anytime. You are in my thoughts and prayers.  
With much love and hugs,  
Mary

“ I'm so sorry for your loss and know these times can be difficult. You let him into your life and no one could ask for more. I know he was grateful. He'll be missed physically but the memories will never fade. Love you all, Linda
