“ Paul and I worked together for many years. He was a wonderful builder and all of his clients loved him. He built beautiful homes and his sub contractors were very loyal to him. His knowledge and work ethic were amazing. We took an advanced Hispanic language class together with my sister and Robbin Smith. We had so much fun laughing at our "southern version" of the language. Our teacher rolled his eyes and laughed at us, but we not only had fun together, we did learn a little. Paul already knew enough, he could converse fairly well. There are few builders in our industry that have his skill and passion. He wasn't a cell phone builder, but a true craftsman. He was such a good man, and a great friend. I was deeply saddened to hear of his passing. My heart goes out to Marilyn and his family.

“ Paul was one if those bright souls that once you've met them, you never forget them. I admired him and his knowledge of the building industry and music, and as a person, he was the best of us. Lucky enough to work with Paul, I considered him a friend. I am saddened to hear of his passing. We needed his Light here on earth, but now he'll glow brightly among his fellow angels. My blessings and prayers to Paul's family.

“ Our hearts are heavy, but our memories are so wonderful. Paul was one of the most caring and loving individuals I know. He made everyone around him better--always finding ways to provide encouragement, bring laughter, and just be a friend to anyone. We were better because of him, and he will be missed so much by all. From days in the Church youth group, to trips to the beach, to family gatherings I will always be grateful to have known Paul and will be thankful for the blessings he provided our entire family. We know he is smiling down and in a wonderful place now in Heaven. We love you Paul!!!
