“ Aunt Phyllis: a treasure; only five years older than I, so like my cousin; fond memories of her, Leona and me playing at the farm. Later, after I moved to Virginia, she always stayed in touch, and we exchanged Christmas cards until her later years. Sorry I missed out on her Libby Hill Seafood lunches! She was special.

“ I will miss Phyllis dearly. She was a special lady to me and my family. She and Paul was one of the couples who welcomed us to Stokesdale UMC and remained friends with us. Phyllis was my "pew mate". We sat together every Sunday morning, holding hands sometimes. She had the softest hands. Some Sundays I would pick her up and take her to church. We had some memorable conversations, just on that short drive, that I will cherish forever. My absolute favorite is her calls to play the piano, Jesus Loves Me, and just to check on me and my family, to see how we were doing. She was a true "saint". Heaven has gained a wonderful angel and she is with her true love now, Paul. I am really going to miss her.

“ It hurts me greatly that Phyllis is no longer with us. Many memories will always be with me. Always, playing Jesus loves me on the piano , even on the phone after going to countryside. We had many lunches together. Her favorite being at Wendy's getting chili and a chocolate frosty. Another favorite being flounder and pink lemonade at Libby hill. I surely will miss her!
