“ You did what you could when you could. We both did. Take comfort in knowing he now has the peace and comfort he had been seeking all along. I'll always remember him saying to you.."I love you Man" and he did because I witnessed this first hand. You were a good brother to him and he knew that.

You will be missed dear Robbie. Love, Momma Che'rie

“ Seems like just yesterday Robbie was a little boy. We always thought he was the cutest, sweetest little boy there ever was. He always had a smile on his face and a twinkle in his eye. We haven't seen him in several years. Life and time sure passes quickly. We will forever cherish our memories of Robbie.
Brandon, Tina, and Brittany we are so very sorry for your loss. Praying for God to bless and comfort you through this difficult time.
