“ I can see you and Aunt Doris playing the organ and piano again together in heaven and Uncle Henry is directing the choir and Brother Jimmy Herron and Gloria are there together. You folks are having a wonderful reunion. I am sure it is a glorious reunion. Heaven is sounding sweeter today. You were a joy to work with in the music ministry at State Street. You were a dear, dear sweet lady and daughter of God. You will be missed here on earth. Even in your pain, you prayed for a little baby girl in the early morning hours because you were our friend. I shall never forget that or you. See you in heaven soon.
