“ What fun memories we have of the picnics at High Rock Lake! These family gatherings were the highlight of our summer as we communed and watched all the children grow through the years. We so miss them and hope we can all reconnect on a regular basis again! There are a lot more children and little time to love each other here on earth. I know we will all be together soon at the foot of our heavenly Father. God bless the family and God speed Shirley! Many prayers for heart healing and peace for Mike and his family.
Much love,

“ Shirley, Archie and Aunt "Mick" put a spark in our family by hosting yearly gatherings at their lake house at High Rock Lake. Their love abounded as we all shared food, drink, music, family, our love for each other and just many great times. Of course age and fading years with health, the lose of "Aunt Mick", Archie brought these times to a close as well as the lose of other family members. God bless this wonderful family, Michael and Jeannie for their spunk and love in going the extra mile to provide fellowship to family togetherness. There is surely a special place in heaven for all of them as they meet again with those members who went before them. Rest in peace and love
