“ I have known Tommy since he was a kid. I remember he would always have his shoes on the wrong feet. He was always funny and had a good personality

“ Tommy was a great guy. Always fun to be around. Craziest time I ever spent with him was when Tommy and Brian LeClair took me to my first and only Grateful Dead concert. It was a outdoor concert at Carter Finley Stadium. Can't go into other details just say it was an experience. He was one of a kind and will be missed. RIP Tommy.
