“ I met Wig while dating his lovely sister Beverly (am still dating her!). He had a cool sense of humor, and a strong caring for things we sometimes take for granted; the outdoors, his dog, the garden he planted. We had such a great time with Wig and Gail this past summer, spending a week on Beech Mountain . Rest in peace Wig!

“ I hung with Ludwig and the Henderson Road crowd in our high school days. Bill was a real nice guy. Sorry to say I had not seen him since high school. RIP old friend. Alton Wheeler.....pwheeler@triad.rr.com

“ While we cannot be there for you today, we are all thinking of you and all the fond memories and good times we were able to share with Uncle "Wig". He was the coolest of the cool and they definitely broke the mold after he was born! We were all fortunate to have known him and spend these many years around him. Nobody will ever forget hearing that laugh of his! Rest in Peace Uncle Wig.
