“ I was at true shock when I found out the news about my classmate. Zach had the free spirit laughters and jokes fill the room when Zach came around. He love his sports and I remember a lot of times I had around Zach and I can remember enjoying all of them. Praying for his family and friends for strength to get through this long live Zach C/O '11

“ I went to Louisville High School with Zach. He and I weren't close, but he had an energy and a vitality about him that was incredibly infectious to those around him. I always appreciated that. I am so sorry for your loss, and your family will be in my prayers for the coming days.

“ I taught Zach at East Central. What a great kid! I loved running into him in New Orleans and in Starkville, and I am so saddened by this loss.

“ I offer sincere condolences to the family. Zach was such a loving person, such a warm and friendly soul. I had the pleasure of teaching him at The University of Southern Mississippi in the BSN nursing program. He would love to talk about fond memories of his brothers and how he would travel all the way to North Carolina to have his mother cut his hair! He would also grace me with a sausage biscuit from McDonald's ever so often to make my day, they were delicious!
Zach was a kind and loving person who will be truly missed.
